Data Sheet - chromebook

ASUS Chromebook – Sleek yet sophisticated

The new line-up of sleek, sophisticated and ultra-portable laptops, ASUS Chromebooks are perfect for everyday ease-of-use. The C300 features a spacious touchpad which gives easy control over multi-touch gesture inputs. With up to 10 hours of battery life – use ASUS Chromebook all day.

Stay connected

Chromebook supports dual-band 802.11ac* Wi-Fi providing fantastic signal strength for browsing the web or streaming videos and music whenever, wherever! Bluetooth 4.0 means you can connect a whole host of Bluetooth devices – connect to everything you love!

High-quality speakers for your enjoyment

High-quality stereo speakers with extra-large audio chambers give performance that surpasses their miniscule size! Crisp, high-fidelity sound can be enjoyed anytime, anywhere with Chromebook.

Experience thousands of amazing apps!

Chromebook gives you secure access to Chrome Web Store with thousands of apps designed to make your everyday life easier. Access your favorite Google apps straight out of the box as Gmail, Drive and YouTube are built-in!

Free cloud storage

With every Chromebook you receive 100GB of free Google Drive space**.
